Monts & Lacs

en Haut-Languedoc

Hotels, Bed & Breakfast, unusuals, self catering accommodations, campsites, shelters....

Cœur d'Occitanie

Welcome in Monts & Lacs en Haut-Languedoc !

In the heart of the Haut-Languedoc Regional Natural Park, lying in both Tarn and Hérault, our destination immerses yourself **in the green of its forest, the blue of its four lakes and the purple of its heather blooms.**

We are only two hours away from the metropolitan areas of Toulouse and Montpellier, and yet **the change of scenery is guaranteed !**

A **variety of sceneries** for open air lovers, a land preserved by **mysterious standing stones** for curious visitors, a multitude of local **taste** for local gourmets, a **low mountain range** to get fresh air on summer and enjoy snowy landscapes on winter, but also and moreover, a place to relax and forget the daily life !
